**TO: Director  
National Security Agency  
Washington 25, D. C.**

1. We wish to express our appreciation for making it possible for Mr. William F. Friedman to talk to our Communications-Electronics Staff Officer Course on "Communications Intelligence." Mr. Friedman, as usual, gave a very interesting and informative talk, and his presentation contributed greatly to this course of instruction.

2. Please express our gratitude to Mr. Friedman for his time and effort represented in making this presentation. We realize that it is not always easy for him to interrupt a busy schedule to be with us.

3. Your continuing support of our educational program is deeply appreciated.
