M/S:  IMPORTANT:

1. MORE SPECIFIC RECOMMENDATIONS MUST WAIT FOR MORE PRECISE GUIDANCE.

GSA HAS OPTIMIZED ALL SIGNAL RESOURCES DURING CURRENT EMERGENCY TO

PRIMARY TASK OF RECOGNIZING

PREPARATION FOR

HOSTILITIES, MOVEMENT OR BUILD UP OF LOGISTICS AND/OR TROOPS ALREADY

ESTABLISHED AS A PRIMARY INDICATOR.

M/B: This message is in response to DIA request for GSA recommendation for optimizing aerial reconnaissance detection of

CUBAN troop and logistic buildups and

movements. A meeting held at 1000 hrs on 27 Oct 62 chaired by

A Watch Office with appropriate A, B, and C personnel and DIA

representatives resulted in:

1) Clarification of requirement

2) Extension of deadline from 1700 hrs 27 Oct to 0600 hrs 28

Oct 62.

3) arrangement for knowledgeable GSA representative to visit DIA on 29 Oct 62 for on-the-spot assistance on clarifi-

ation.
