

Boris: Has the book for my Philishaver  
 come in yet & if so, how much?  
 I loaned your copy of the  
 biography of K.W. Hagelin to  
 Carole, having asked her to  
 translate just the chapter headings.  
 I must call her & see if she has  
 those ready.

I have looked over again the  
 brochures on Cx4 C52 & the third  
 one. I still hold the same opinion.

The book on the work of  
 Carl Fabergé continues to be  
 of considerable interest.
