

Palo Alto March 25, 1968.

Dear Elizabeth and Bill,
Just a few lines to thank you
for your hospitality during my
stay in Washington - for the excellent
dinner and the pleasant evening.

I was only so sorry that Bill
suffered from sinusitis, and I do hope
that this has passed by now.

The flight to San Francisco was
uneventful. I was met by
Margaret, and Ingrid with her two
children. They take good care of
me and I take it easy. There
is plenty of sun, and it is very
quiet and cozy where Ingrid lives.
She has a very comfortable house,
& a sheltered garden with quite a
big swimming pool.

With best wishes, and thank
you again!

Affectionately, Tom.

The girls send their best regards.
