Mr. Victor I. Rappert  
Dean, College of Liberal Arts  
Wayne University  
Detroit 1, Michigan

Dear Dean Rappert:

I consulted with some of my colleagues on the subject of your phone call yesterday and we think it will be better if you, or Mr. Callimahos, or both, would come to Washington to discuss the questions you have in mind. It is hardly necessary to indicate that this trip would have to be without expense to the Government.

The date indicated by you, 21 May, is quite satisfactory provided you will come to see us in the morning, say about 9 o'clock.

It would be advisable to telegraph Mr. Callimahos or me shortly in advance of the conference so that we can tell you where to come and can facilitate your entry. Please note the information given below.

Looking forward to seeing you, I am,

Sincerely,

WILLIAM F. FRIEDMAN
