~~CONFIDENTIAL - SECURITY INFORMATION~~

SUBJECT: Delivery of Crypto-Equipment

TO: Director of Intelligence
U. S. Air Force
The Pentagon

1. The National Security Agency is interested in examining and evaluating an item of crypto-equipment invented and developed by Mr. Boris Hagelin, whose address is

A. B. Cryptoteknik
Nordenflychtavagen 62
Stockholm 30, Sweden.

2. Mr. Hagelin has been asked to deliver the equipment to the U. S. Air Force Attache in Stockholm as soon as possible.

3. I would greatly appreciate it if you would advise the Air Force Attache in Stockholm by priority dispatch to expect such delivery, to receipt for the equipment and to forward it by air transportation in a package addressed as follows:

Director, National Security Agency
Washington 25, D. C.
Attention: Mr. William F. Friedman

4. For your information, Mr. Hagelin has been advised that examination of his equipment does not constitute, in any way, official approval by the U. S. Government to any compensation of the inventor.
