

Brigadier General Harold H. Bassett, USAF
 Commander
 U. S. Air Force Security Service
 Brooks Air Force Base
 San Antonio, Texas

Dear General Bassett:

On behalf of the Special Study Group, I want to express our deep appreciation of the courtesies and assistance rendered us on the occasion of our recent visit to your Command. The briefings and the subsequent discussions gave us a better understanding of the functions of the Air Force Security Service, and its relation to the other parts of our defense organization.

I wish particularly to thank you for making it possible for Colonel Wilder to accompany us on the rest of our trip. His presence made it possible for us to get on the spot answers to many of the questions which came up during our discussions with the other Commands; this and his familiarity with the entire system have been of great service to us in our mission.

Very sincerely yours,

S. P. ROBERTSON
 Chairman
 Special Study Group
