Dr. Victor H. Engstrom  
Vice President  
RCA Corporation of America  
Director, Princeton 24 Laboratory  
Princeton, N. J.  
New Jersey

Dear Dr. Engstrom:

Last year we had some correspondence in connection with  
General Canino's invitation to you to join this Agency's  
Scientific Advisory Board. It appeared at that time to be  
impractical for you to join or to pay us a visit because of  
the pressure of other business.

I am writing you now to inquire as to your present or  
future availability for membership on our Advisory Board and  
hope to receive an affirmative reply within a few days.

If you prefer to telephone me, I will be very glad to  
have you call, reversing the charge (Liberty 5-6700, Ext. 62/23).

Sincerely,

William F. Friedman  
Special Assistant to the Director  
Executive Secretary  
USN Scientific Advisory Board
