Dear Dr. Smith:

In your letter dated 28 May 1954, accepting the nomination to membership on the Telecommunications Panel of the National Security Agency Scientific Advisory Board, you indicated that the required forms (i.e., the completed Personal History Statement and the Fingerprint Cards) would be completed and returned in the near future. I regret to say that we have not yet received them, and would appreciate any information you may be able to give as to their status. If you have sent them, tracer proceedings can be initiated immediately. If you have not yet had the opportunity to perform the onerous task of completing the forms, or if you need additional forms, please let me know.

Hoping to hear from you soon in regard to this matter,  
I am,

Sincerely,

WILLIAM F. FRIEDMAN  
Executive Secretary  
NSA Scientific Advisory Board
