To: Chief, A.S.A.

1. The publication referred to in item "a" of the letter from the Portuguese Military Attaché dated 27 July 1954 consists of articles which were reprinted from the Signal Corps Bulletin. A publication which was classified RESTRICTED is now unclassified according to introduction recently received from the Office of the Chief Signal Officer (Training).

2. If any copies of the item "a" can be found, it appears to be no good reason why a copy should not be made available to the Portuguese Military Attaché of the Portuguese Military Attaché. It is suggested that the request be referred to the Office of the Chief Signal Officer for attention.

2. Of the Chief Signal Officer has no copies of the reprinted articles, a copy of these can be made available to him from a small stock on hand in this agency.
