Dr. S. S. Wilks
 Department of Mathematics
 Box 708, Fine Hall
 Princeton University
 Princeton, New Jersey

Dear Sam:

This is to acknowledge receipt of your letter of 11 June 1954. I am taking steps immediately to see if we can arrange for your transportation to and from England via MATS, and for your visit at Cheltenham. As soon as I find that such arrangements can be made and they are confirmed, I will inform you of all the details. It is my understanding that you want to visit Cheltenham for your own further orientation and will not expect any per diem or consultant's fee therefor.

In regard to your reference to "several of us" visiting Cheltenham, do you know who else is planning to be there at the same time as yourself? You are the only one from whom I have heard thus far on this matter and if there will be others involved, we should know about them soon so the necessary arrangements can be made.

Sincerely,

WILLIAM F. FRIEDMAN
 Special Assistant
