Dear Sam:

This will be a short note to tell you that I talked with the Director and Vice Director about the subject of your phone call of 11 January. I am glad to tell you that you can plan on spending some time (approximately a week, I think you said) at GCHQ during the latter part of August to look into their T/A organization and operations.

We can write you "invitational orders" which will not only provide for your transportation by NATS but also pay your usual per diem.

When you are here next time we can talk this over in detail and arrange for your entry at GCHQ, etc.

Sincerely,
