 P.O. Box 1088
 Schenectady, New York

Dear Miss Wales:

Our security people have called to my attention the fact that the Personal History Statement submitted by Dr. Suits for the clearance processing required for National Security Agency matters did not contain the answers to "Have you ever been refused a bond?" and "If so, explain."

Due to the location of these items on the forms, it is quite understandable that they could be inadvertently overlooked, either in the actual process of filling in the form, or in transcribing it to a typed copy, and I feel sure that was the case in this instance.

I am sorry to have to trouble you with this matter, but would appreciate it greatly if you would send the needed information to us in the enclosed addressed envelope.

Sincerely,

I. T. McDONALD
