Dear Mr. Mansbridge:

Thank you very much for your letter of 7 January 1955.

After soliciting advice from several knowledgeable friends who suggested that it would be best to make it as easy as possible for the judges in the Folger Shakespeare Library competition to read the manuscript, we decided to use the original typescript for submission in the competition and to use the first carbon copy for submission to the Cambridge University Press. (We have retained a second carbon copy.)

It is gratifying to learn that the course we took in this regard meets with your approval and we shall be glad to know when the manuscript is despatched to England.

Sincerely,

WILLIAM F. FRIEDMAN
