Armed Forces Security Agency  
Washington 25, D. C.

1. I would like to express my appreciation and that of the entire Air Force Security Service for your most interesting presentations made both to the Communications Security Officers' Conference and to personnel of this Command during the week 12 - 16 March.
2. I am sure that there is not an individual who was privileged to attend your lectures, who does not feel richer for having made your acquaintance and shared in your vast fund of knowledge. Your years of experience, tempered by your patience and willingness to assist others in avoiding unnecessary pitfalls, have contributed to the high standards of security within the United States.
3. We, in the Air Force Security Service, are looking forward to many more occasions when it will be possible for us to again participate in meetings in which you so willingly assist in training the future generation.
