Box 521
San Francisco, California

Gentlemen:

I have two extra copies of the first edition (1916) of Parker Hitt's Manual for the Solution of Military Ciphers. I would be glad to offer them at whatever seems to you to be a fair price. I also have two copies of the second edition (1918) which I would be glad to dispose of.

Very truly yours,

WILLIAM F. FRIEDMAN

WAF
