Office Memorandum • UNITED STATES GOVERNMENT

TO: Mr. Friedman
FROM: TEC
SUBJECT: Attached

DATE:

1. Sorry for the delay.
2. We have a mild interest in the photos referred to if it is not too much trouble.
3. Attached note from Miss Jordan is self-explanatory for items at the end. We can make efforts to obtain copies if you wish to send them.
4. Strangely enough the Agency does not have a copy of it. It is in the Army Library. It's end was badly out of print. I am making an effort...
to get one or will increase the order to two if you wish to give one to Dr. Huettenhain. Mr. Goldner tells me that he worked with Wolfe prior to his entry into the Army. Goldner says that it is of small value, but I think the Agency can well buy every book on the subject.

5. Please let me known your desires.

Very respectfully,
