**REMARKS**

The N.Y. Cipps Society has been in existence for about a dozen years. I don't know of any new members accounts established to their credit. It may be that every now and then we get a name of a potential employee from the society. I have had no dealings with them but have had a letter or two from the present president (over).
I recommend that
you merely acknowledge
receipt and indicate interest
and possible future comment.

The letter not be sent to
CONSEC for action but to
P/P

The paper deserves an
answer or comment of some
sort — it should not merely
be filed away.

Maybe USCIS SEC COM
should see it and prepare
comment on it.
