

Commander Pendergrass, TEC

21 October 1954

Mr. Friedman, S/ASST

RC-220-T1, Copy No. 115

A few weeks ago ASA called and said that they were cleaning out old files and that they had a document which we might like to have. I received today the accompanying document which deals with SIGSALY and am turning this over to you for retention.

WILLIAM F. FRIEDMAN
