MEMORANDUM FOR: SUSLO, LONDON
SUSLO, OTTAWA

VIA: THE DIRECTOR, NSA

Subject: Amendment to Papers Concerning [] Discussed
at Tripartite Planning Conference of March 1953.

Reference: TAB "A" of TRI 53/1 O11 (FINAL).

1. Owing to the fact that Canadian requirements for []
[] have expanded since subject Conference, USCIB
considers it appropriate that paragraphs 2 and 3 of the reference be
amended by a single footnote as follows:

"On 15 May 1954, LSIB, CRC and USCIB recognized that
Canada's peacetime requirements for []
[] Intelligence bearing codewords had increased
subsequent to the Tripartite Conference of March 1953.
LSIB, CRC and USCIB therefore agreed that such codeword
materials as are required by any of the three parties
should be requested under the regular procedures already
established for requesting all other types of COMINT
codeword material. Portions of paragraphs 2 and 3 which
conflict with this footnote are superseded hereby."

PL 86-36/50 USC 3605
EO 3.3(h)(2)

2. Please present the above to the Board to which you are
accredited with a request for approval in time for the 15 May date
to have reasonable validity.
