3.	AS-24 AS-80	13 Oct 47	Power Supply for Cryptographic Installations (contd)
<p>1. It is recommended that the Signal Corps be represented at the meeting between the Army Ground Forces, the United States Air Force and this Agency, concerning the discussion suggested in paragraph 4 of the inclosed 1st Indorsement, inasmuch as the Signal Corps is primarily interested in any modification of military characteristics by the using arms.</p> <p>2. It is also believed advisable that power requirements for power units, communication equipment, and cryptographic equipment be standardized. It is suggested that this be accomplished at the earliest possible moment between the Signal Corps and this Agency and, as soon as possible, should include the United States Air Force and the Department of the Navy.</p> <p style="text-align: right;"><i>a Sinkov</i></p> <p style="text-align: right;">A.
