Rec'd and Oct 1/19

Riverbank Laboratories
Geneva, Ill.

Department of Cipher

October 1, 1919.

Major General George O. Squier,
Washington, D. C.

My dear General Squier:

Your message of September 29th was received and we have suspended all operations for the Signal Corps, awaiting the new tapes. In the meantime we have taken up some other government work and will want to complete it before starting on the new tapes which are now in preparation.

Sincerely yours,

Geo. F. Johnson
