2. In RESTRICTED areas, files or cabinets equipped with suitable non-combination locking devices may be used to store security information classified CONFIDENTIAL and below, provided continuous surveillance by armed patrols is maintained during off-duty hours. 1. Each supervisor concerned shall instruct his personnel in accordance with the above and shall take such action as may be necessary to secure compliance. Use of the following statement affixed to each desk is recommended:

THIS DESK CONTAINS NO MATERIAL CLASSIFIED ABOVE RESTRICTED

Approved for Release by NSA on 09-24-2013 pursuant to E.O. 13526
