

## ROUTING AND WORK SHEET

SUBJECT Legislation Concerning Allied and U. S. Cryptographic and CryptanalyticActivities

Number each action	To—	Memorandum	Name, Division or Branch, and Date
1	Director of Communications Research	<p>It is suggested that the following be included as (7):</p> <p>" or (7) any information <sup>pur</sup> reported to have been derived from the cryptanalysis of messages transmitted by the United States or any foreign government."</p> <p>The above point is most important and while it may be included in existing (5) it does not appear to be clear enough that it is an offense to disclose not only technical details but also the subject matter of messages which may have been read.</p> <p>Attached: 1 paper above subject</p>	 Harold G. Hayes Colonel, SPSIB 27 June 1944 Ext 311
