TO: Mr. Friedman  
FROM: Asst. Chief, Plans and Policy Division  
SUBJECT: British Cryptologic Relationships

1. "British" was used in this paper, rather than "U.K.", inasmuch as the material is quoted directly from papers prepared by our London friends — and they seem to prefer the first appellation.

2. To dispel any confusion which might arise in the minds of members of the Brownell Committee, the footnote defining "British" was lifted from the "British-U.S. Communication Intelligence Agreement".
