REMARKS

This is a report on the Athenaeum case which was prepared for you some time ago by AFSA-02. It formed part of the folder on that case which you turned over to Mr. Friedman before your trip to the Far East. Attached to the report are copies of letters which originally formed part of the report, and which 02 asked your signature upon. They have been amended only in so far as the date is concerned.

If the letters are sent, I believe that Mr. Foley would be happy to be informed, and I shall be glad to do so, if you desire. Mr. Friedman asked that copies of the report be placed in his file on this case. Therefore if you will return the original to me, I shall have photostatic copies made and return the original promptly.

For Mr. Friedman **Mary C. Lane**
