These are Navy documents on the solution of the Purple Machine.

Mrs Singleton (library, AHS) has the corresponding Army papers, but they have all been "sealed" by SEC pending the Peterson Trial.

22 Nov.

RIP 72 == Very dear Sir

Purdy Odom

See Tech Doc S-13, 1997

8 models were built, last 2 of which were built for some Navy Sections originally developed for the naval concepts.
