

22 November 1944

MEMORANDUM NO. 54.

Subject: Official Publications.

To : All Organizations and Units, Arlington Hall Station.

The following information is furnished for guidance in the use of official publications at this station:

a. The attached chart (Inclosure 1) lists the type of publication, together with general purpose of each, the headquarters, the authority, and the authenticating office.

b. These publications are the only recognized official medium for dissemination of information and instructions over the signature of the Commanding Officer.

c. All information or instructions falling in the categories indicated in Inclosure 1, which it is desired to have produced and released as official publications, will be forwarded to the authenticating office indicated.

d. There is also attached a list of standard distributions (Inclosure 2) which are indicated on official publications with the proper designations, such as Distribution "A" and "B". When it is desired to furnish information to individuals other than those listed in the standard distributions, such distribution should be so indicated at the time the information to appear in the publication is forwarded to the authenticating office. Distribution of publications bearing standard distributions will be accomplished by the Post Publications Officer.

e. The authenticating office will maintain official files of the publications listed in Inclosure 1.

f. It is suggested that standard distributions be set up within each branch and organization indicated on the inclosed standard distribution lists in order that complete and consistent distributions may be maintained.

g. Amendments to standard distributions will be publicized in Headquarters Bulletins.

h. Memorandum No. 22, this headquarters, dated 2 August 1944, and other instructions in conflict with information contained herein, are rescinded.

By order of Colonel Collins:

Thurman R. Hamman
 Thurman R. Hamman,
 Captain, Signal Corps,
 Adjutant.

2 Incls:
 Incl. 1-Chart of Publications.
 Incl. 2-Distribution Lists.
