#967 (Part 2a)

I wonder if the above was not for special use in London.

3. The last part of the thirty letters in the caption of #763 contains errors. Therefore, please send these thirty again.

4. Thank you for procuring the Vichy "Strip". We are waiting for you to get the corrected copy. Ours is exactly the same. We are sending the original text later.

#967

1. Parts 4 and 5 of your #102 (message #34 from London to Berne in 0-2) contained many garbles and should be sent again immediately.

2. The change from 0-1 to 0-2 was on August 29 of last year. Please make an investigation as to why this message (dated June 13) was thought to be 0-2.
