

T54/3

Information Security Division - 043

1. ~~(FOUO)~~ Concurrences were forwarded to NCRDEF for JCS on nine JCS Buffs covering such subjects as Review of JCS MOP 107 (Policy on Telecommunications Economy and Discipline) and Justification for Major System New Start for Worldwide Airborne Command Post System Replacement.

2. (U) Reviewed briefing to Congress for classification.

3. ~~(FOUO)~~ Met with GC to discuss the Hellman tape distribution issue. A debriefing by Mr. Devine and Mr. [redacted] on their recent dealing with Hellman is scheduled for 6 May.

4. (U) Circulated a number of conference notices and public cryptography articles.

5. (U) Sent to the Chairman, Protocol Standards Steering Group classification guidance on Network Security.

6. (U) Circulated minutes of a recent meeting between NBS and NSA. Closer coordination between the agencies were discussed.

7. (U) Commented on two Air Force classification guides.

PL 86-36/50 USC 3605.

8. (U) The Director has signed an updated version of Guidelines for the Systematic Review and Declassification of Cryptologic Records. The guidelines will now be forwarded to the Secretary of Defense for approval and distribution.

\*9. (U) Prepared a response to draft DoD Directive 5200.xx "Sensitive Compartmented Information Programs". We have recommended an NSA nonconcurrence.

10. (U) Forwarded for the Director's approval a memo to OSD designating NSA Original Classification Authorities.

~~11. ~~(FOUO)~~ Drafted for DIR approval, a response to questions posed by Philip Taubman, N.Y. Times, relative to an NSA (043/T54) visit to the Marshall Foundation Library. The Times published an article on the subject on 28 April 83. Discussed matters related to the visit and press interest thereon with GC, personnel of the Marshall Library, Lt Gen Marshall S. Carter, and the Director.~~

12. ~~(FOUO)~~ Provided Pre-PCS briefings to [redacted] (SUSLO-Cheltenham designate) and to [redacted] (NCRJ Ops Officer designate).
