PRESIDENT KENNEDY'S DEATH NEW BASIS FOR ANTI-ZIONISM IN SYRIA

27 Nov 63

--

It was not difficult to foresee that the dramatic murder of the American President with all of [3G] new complications would have repercussions also in the usual polemic between the Arabs and Zionism.

In fact, the circumstance that the killer of OSWALD is of Hebrew-Polish origin has now caused a notable part of the Cairo press to move in the [5G] that Zionism [redacted] to this whole tragedy. Naturally, there are no explanations of motives and circumstances but this subject (B val also) is, in the eyes of some of the Arab extremists, useful in muddying the waters and once again directing accusations against Hebrew organizations.

A report follows.
