MEMORANDUM FOR THE HONORABLE DEANNE SIEMER, GENERAL COUNSEL,
DEPARTMENT OF DEFENSE

SUBJECT: Pending Congressional Requests

REFERENCES: (a) 15 December 1977 letter from Senator George
McGovern to Secretary of Defense

(b) Undated letter received on 20 December 1977
from Congressman Louis Stokes to Director, NSA

(c) 16 December 1977 letter from Mr. Ira Nordlicht
to the Honorable Deanne Siemer

1. Referenced letters iterating requests for information
from the National Security Agency present two common issues:
namely, whether signals intelligence information is to be pro-
vided to Congressional Committees which exercise no traditional
oversight over intelligence matters; and, if it is to be provided,
how it is to be done. NSA Charter legislation, now in draft form,
would obligate the Director to keep the Committees of the Congress,
having jurisdiction over the Agency, fully and currently informed
of the Agency's activities. Provision of information to other
committees would be responsive to policy developed within the
community.

2. We anticipate that requests for information, as illus-
trated by the three referenced letters, will continue to increase
and can present difficulties in maintaining good relations with
the Congress. While this Agency has been fully responsive to
the needs of the Intelligence, Armed Services, and Appropriations
Committees, we have treated requests for information by other
committees on a purely case-by-case basis. Several times during
the past two years, Committees of the Congress which do not have
jurisdiction for intelligence oversight have approached NSA
directly for foreign signals intelligence information. In each
case it has been our understanding that the SIGINT information
NSA has provided to the requesting committee is being used as
background information in assisting that committee in formulating
U.S. policy matters. On these infrequent occasions, NSA has
responded directly to the requesting committee providing either
access to SIGINT product or briefings, as required.

3. Regarding these three specific requests, inclosed for your information is a summary of NSA's contacts with Senator McGovern's Subcommittee on International Operations. As indicated in the summary and as discussed previously with Mr. Andrews of your staff, we have not shown nor discussed any material with Senator McGovern's staff representative pending the drafting of an approved memorandum of understanding by your office and the execution of such an MOU between the Executive Branch and the Senator.

4. In his letter received by NSA on 20 December, Representative Louis Stokes, Chairman of the House Select Committee on Assassinations, requested certain information from NSA relating to the Cuban intelligence network during the period 1959 - 1964. Chairman Stokes also certified that access to any NSA material would be restricted to those staff members with a TOP SECRET security clearance; access to NSA material, of course, requires indoctrination for SI as well. No response has been made to Chairman Stokes' correspondence pending resolution of how NSA should deal with non-oversight committees. Once that decision is made, we recommend that any SIGINT information selected for the Select Committee on Assassinations be provided only by the DoD or DCI as part of a larger submission of data and that the SIGINT be properly sanitized.
6. The lack of an MOU or other agreed procedure for dealing with requests for SIGINT from other than the three traditional oversight committees mentioned above has severely hampered NSA's ability to be responsive to the Congress. We urgently recommend that an agreed procedure be developed between the Executive and Legislative Branches which would set forth the terms and conditions on which sensitive cryptologic or other intelligence information would be provided to the non-oversight committees. In the absence of such an agreement with both the Senate Foreign Relations Committee and the House Select Committee on Assassinations, we cannot respond to these queries. We also recommend that your office so advise Congressman Stokes and Mr. Nordinch and also determine a proper response to Senator McGovern consistent with the President's instructions.

M/R: a. On 17 May 1977, the Director proposed in a memorandum to the DCI that the DCI assume responsibility for acting as the focal point for requests for intelligence information from any Committee of the Congress which does not have direct oversight responsibilities. This proposal included the recommendation that the channel of communications for such requests should be through a designated individual on the IC Staff and that responses to the Congress should flow back through the same person, providing the DCI, on behalf of the President, the opportunity to review what intelligence information is made available to the Congress. The DCI has never responded to this memorandum.

b. Instant memo recommends that an agreed procedure be developed between the Executive and Legislative Branches which would set forth the terms and conditions on which sensitive cryptologic or other intelligence information would be provided to the non-oversight committees. It also recommends OSD GC assume action on R/S 5501 and provides background information on two Congressional requests (references a and c) for SIGINT information now pending in OSD.

c. Deadline on R/S 5507 response to Ms. Siemer extended to 4 January per Col. Steve Harrick, ATSD(LA), and Mr. Bob Andrews, OSD(GC).

d. Mr. Yeates, Exec DDO, and Mr. Brady, GC, concur. Classification reviewed by Mr. Michael Levin, D4.
