The Ministry of Education of the Kingdom of Belgium asked the University of Brussels to hold a conference on "The Role of Education in the Development of the Economy." The conference was scheduled to take place from 15 to 20 April. However, due to unforeseen circumstances, the conference was postponed by one week.

The Ministry also informed the University that all students, including international students, would receive a grant of 20% of their tuition fees. This decision was made to encourage more students to enroll in the university.

Rodriguez, who was a student at the University of Brussels, requested an extension of his visa to remain in Belgium until the end of the conference. The university administration approved his request, and he was able to stay in Belgium for the duration of the conference.

Rodriguez also expressed his concern about the financial burden of attending the conference. He was grateful for the support of the Ministry and hoped that more students would benefit from similar support in the future.
Bolsheviks. The embassy reported that the Ministry of Education had informed the Ministry of Labor that a scholarship holder was in no condition to travel and that she had just given birth to a child on 18 July.

The embassy informed the Ministry of Education that the student had left Russia on a Soviet ship on 27 April aboard the S.S. "Vasiliy Klykov." (9 May 57).
