Futz -

This is DCI Testimony
for Senate Hearing on
Tues. ~~OMB~~ - I got
this directly from CIA.

OMB sent out copies
to DoD, etc at 1400
this afternoon, but of
course LRS version
hasn't arrived yet.

The 1st part discusses
mostly CIA holdings
(Congress is more interested
in a more detailed
accounting of IC holdings)
The 2nd deals w/
"technical problems"

of the Legislation
(see p. 4). Concurrence
is due to OMB by 1200
Monday - but I've been
warned by CIA that most
of these are the DCI's
words - so it better
be important or don't
change it. (bottom of
page 7 doesn't thrill
me).

By the way, CIA
never got draft EO to
review - I faxed them
a copy & they didn't
know it was coming
either. ^{But apparently DoJ wanted}
^{Pres to sign it Monday morning}
^{which is unlikely}
Finally, attached
is letter to CIA

re: our holdings. I'm
still waiting for Classifi-
cation call.

So as you can see,
it was another boring
Fri evening.

See you 730 am
Monday
