At 23 November, the alert was relaxed a certain degree by Eastern instructions were passed to substitute to give leave to 25 percent of their personnel for the 23rd and 24th and that further orders would be forthcoming on 25 November 1963.

REMEMBER: The substitution to give leave is an indication that the alert is somewhat relaxed and the note that further instructions would be issued on Monday, 25 November indicates that a normalcy view has been adopted for the situation by Cuban Naval authorities in the Eastern Naval District.
