MEMORANDUM FOR THE SPECIAL ASSISTANT TO THE SECRETARY AND DEPUTY SECRETARY OF DEFENSE
ATTN: Ms. Judith A. Miller

1. The National Security Agency has made a thorough search of all records that might contain information pertaining to the Select Committee on Assassinations' request for information relevant to an allegation by former Air Force enlisted man, David F. Christensen, that while stationed at Kirknewton, Scotland, he intercepted information linking an assassination plot against President Kennedy with a figure in organized crime.

2. No communications or information relating to the Committee's request has been located. Since no other component of DoD is likely to have information related to this inquiry, suggest you use the attached draft as your response. If, however, there is any reason why the attached draft cannot be used, please consult with us before releasing the information in any other form.

3. The attached draft response is unclassified.
