DICK'S VISIT TO GLOUCESTER AND BRISTOL (1940)

From: LONDON

To: MOSCOW

No: 765

15th July 40

To JOHN [DEBON][1].

Yesterday I was in GLOUCESTER and BRISTOL. The aircraft factories have not suffered from the bombing. There are a large number of barrage balloons for the factories' protection. There are a few 4.5-inch A.A. guns and LEWIS guns in the grounds of the factory in BRISTOL. The factory [C% produces] BEAUFORT aircraft. There are traces of bombing in the town. There are patrols in this area by SPITFIRES and HURRICANES [SPIT. I KHARR.]. The personnel of the whole flying school work on Sundays. There are only LEWIS guns on the aerodrome to defend the school.
