- 2 -

3/NBF/T1930 (of 25/3/69)

- Notes: [a] Deduced from linguistic and technical evidence.
- [b] Sent in error as "NORGE FORSTELLER".
- [c] Or "the new TALMUDS".
- [d] "Them" and "they" presumably refer to the books but the sentence is ambiguous.
- Comments: [i] AKASTO: ✓ Col. N.I. NIKITUSHEV, Soviet Military Attaché in STOCKHOLM.
- [ii] TALMUD: ✓ Coversord for cipher or cipher system.
- [iii] ANDERSON: ✗ Norwegian RIS courier between SWEDEN and NORWAY. He arrived in the Farø on 26th October 1942.
- [iv] FELIKS: ✗ i.e. "FELIX"; See STOCKHOLM's Nos. 655 of 8th April 1942 (3/NBF/T1009). The cover of FELIKS also occurs in STOCKHOLM's Nos. 737 of 19th April 1942 (3/NBF/T1909) and Nos. 872 and 873 of 8th May 1942 (3/NBF/T1788 and 1689) and MOSCOW's No. 710 of 30th September 1942 (3/NBF/T1111).
- [v] SEVERNYJ: ✗ i.e. "NORTHERN"; MOSCO addressee and signatory. Probably Northern Department.
