[b] Or "a/the".

Comments: [i] VIKTOR: Lt. Gen. P.M. FITIN.

[ii] ZhAK: i.e., JACQUES

[iii] ASSISTENT: i.e. (a) Assistant lecturer.

- (b) A junior lecturer who does research or teaches under the direction of a professor or a senior lecturer.
- (c) A person who assists a professor during lectures or, at a medical school, during operations.
- (d) An assistant examiner.
- (e) Petrov describes this word as meaning a post-graduate who stayed on at a university.
- (f) A chemist's assistant who deals with prescriptions.
- (g) It can also mean an assistant in general and not specifically in the academic or scientific field. However this usage is archaic.

ASSISTENT may be the covername which occurred in STOCKHOLM's No. 3897 of 22nd November 1943 (3/NBP/T1655)

It should be stressed that it is by no means clear that ASSISTENT is a covername at all. It may be used here in its ordinary sense.
