[Name No. 42]<sup>[i]</sup>

In spite of all attempts, GEORG's<sup>[ii]</sup> MUSIC<sup>[iii]</sup> does not work at his house. The fuses keep blowing. (It works all right here.) We have not yet discovered the cause. When the rectifier arrives by post, I shall supply him with a "JACK"<sup>[iv]</sup>. We shall suspend working temporarily. [6 groups unrecovered], as AKASTO's specialist

[16 groups unrecovered]

He literally keeps his work a secret from AKASTO, but as work can always be found,

[10 groups unrecovered]

AKASTO<sup>[a]</sup> instructed him to help us to get the MUSIC ready before the youth [YUNDISHA]<sup>[v]</sup> arrived with ERENA<sup>[vi]</sup> and not [2 groups unrecovered] of AKASTO's specialist to make MUSIC on our own.

No. 106

[Name No. 59]

Note: [a] AKASTO may well not be the subject of the verb "instructed".
