From: New York

To: Moscow

No: 1328

12 August 1943

To the Director.

1. FRED [i], our man in LESOVIA [ii], has been elected to the LESOVIAN parliament. His personal [B% opportunities] [1 group garbled] undoubtedly are improving, but warn LION [iii] about increasing caution to the maximum.

2. In SACRAMENTO, California, in Radiation Laboratories [a], large-scale experimental work is being conducted for the War Department. Working there is a progressive professor [redacted] [a] [iv], whom one can approach through the KORPORANT [v] [redacted] [a] [vi] -- one of the directors
