31 October 1943.

Heinrich MANN[i] has reported that the former police chief of Berlin, GRZYNSKY, is conducting negotiations in CARTHAGE [ii] about setting up a new government in Germany. There is being discussed, apparently, the following set-up -- a government in which will be BRÜNING [iii] and the Social Democrats. Thomas MANN [iv] will also become a member of the government. Heinrich MANN considers this information reliable and therefore is warning us. Heinrich MANN said that his brother Thomas is precisely in [4 groups unrecovered] CARTHAGE where [2 groups unrecovered] for reports. At the present time Thomas MANN is in Canada [1 group unrecovered] on [D% private] business.

According to "POET's [POET]" [v] information RAUSCHNING [vi] who is permanently domiciled in Los Angeles has unexpectedly left for CARTHAGE.
