

[REDACTED]

From: Havana

To: Moscow

No: 240

10 September 1944

[Address unidentified] [a].

Diplomatic couriers SMIRNOV  
and PANASENKO arrived from MEXICO  
9 September.

[Signature unrecovered] [b].

Notes:

[a] Name begins GO, probably GON;  
signed all MOSCOW messages in the  
1940's dealing with diplomatic  
couriers and is the only individual  
known to have been addressed there  
on the subject. (Many such  
messages have no individual  
address).

[b] The known HAVANA signature ZAIKIN  
does not work here; the message is  
probably signed by the head of the code  
office he is usual in such messages, e.g., New York
