

~~TOP SECRET TRINE~~ VENONA

WGB

From: NY. YORK

To: WJCCO:

No.: 145d

12 October 1944

To the 6th Department.

According to information from ZAYaTs[1] telegrams to the BANK[11] contain the following:-

1. The ambassador of the COUNTRY[STRAWA][iii] in MADRID on 22nd September passes word that LEQUERICA[LEQUERICA][iv] has expressed great interest to him in the activities of the Spanish FELLOW COUNTRYMEN[or FELLOW COUNTRYMEN][v] in Southern France and asked that the Army of the COUNTRY should help France control this area.

2. On 21st September it is reported from Italy that the Greek Government is worried at the prospect of the Red Army entering Greece. PAPANDEOU[vi] is attempting to play General PLASTIRAS[vii] as a trump card able to unite the "democratic" forces against the Monarchists and Communists.

3. On 2nd September from MOSCOW are given DEDAL's[viii] impressions of the Soviet Union[ix]

[13 groups unrecovered]

Germany she will enter the war with Japan.

[30 groups unrecovered]

The USSR is skeptical with regard to RAS[x] and his committee

[5 groups unrecovered]

With regard to Germany the USSR [6 groups unrecovered] her military power in a decisive way, with a view to the reconstruction of Russia and Europe will bring in 5-6 million German workers

[35 groups unrecovered]

No. 823

MAJ[xi]
