POSSIBILITIES FOR ILLEGAL DEPARTURE OF "KhAZAR" (1944)

MA B
From: NEW YORK

To: MOSCOW

No: 1016

20 July 44

To VIKTOR[i]

Your No. 2274[a]. KhAZAR[i] very much wishes to return to his native country. There are no legal possibilities. On our assignment KhAZAR has gone to the LAND[KR/LJ][iii] to ascertain the possibility of leaving illegally by making use of his acquaintance with members of the crew of the partisan steamship "SENGA", but it has been ascertained that the SENGA is going to SIDON[iv]. Another ship, the "TIDOK", will be arriving, but it is not known when it will leave and for where. A local Yugoslav, one PETRINOVIC, intends to send his own ship to BARI in the near future with a cargo for the Partisans. He has agreed to take KhAZAR on as a member of the crew, but it is possible that the authorities will raise obstacles, since he has become a citizen of the COUNTRY[STRAN/L][v]. Whether this move will be possible will be ascertained in the next three weeks. Have you no other opportunities for sending him home?
