EXPEDIENCY OF CONTINUING A SOVIET
CONTRACT WITH "MYRNA'S" FIRM,

From: NEW YORK

To: MOSCOW

No.: 1802

21 Dec 1944

To: VICTOR[1], copy to VADIM[11].

The COMBINE [KOMBINAT][111] has already asked the FACTORY [FABRIKA][1v] three times about the expediency of continuing the contract with MYRNA's [MIRNA][v] firm and at the same time proposes [~~group unrecovered~~] to recommend to it[a] other firms. In particular the COMBINE is interested [to know][b] whether one can have dealings with the Amalgamated Bank and the Francis Morris Corporation. In ANTON's line[vi] the answer will be given that it is essential to continue the contract with MYRNA's firm [;] however it should be borne in mind that eventual contracts between the COMBINE and other firms may require impossible [C% conditions] from MYRNA's firm
