To the Director.

[75 groups unrecoverable, 3 groups unrecovered]

[Q% men.] [2 groups unrecovered] [Q% began to fall sharply]. At the end of 1944 the construction of ships will be stopped.

2. On the Italian front the troops of the FOREST[LESNOJ][i] army consist of the 1st and 2nd Infantry Divisions.

3. [According to][a] GREEN's[GRIN][ii] data production of the Tank Buster [TANK BUSTER][b] is proceeding at the rate of [1 group unrecovered] a month and [1 group unrecovered] tanks over and above the plan for [2 groups unrecovered]. The grand total on 1 January 1944

[16 groups unrecoverable]

[Q% A]1" are supposed to be delivered [1 group unrecovered] vehicles of which at the beginning of 1944 only [D% 178] had been delivered and sent overseas. The remaining [1 group unrecovered] will be delivered in January, 1944. Now being tested is an "anti-aircraft" [sic][c] which will fit on the M3A1 and will have three guns (possibly Bofors) instead of six 3-pounder guns. Testing has been going on since summer last year.

4. ECONOMIST[ECONOMIST][iii] up to now has not obtained detailed data on the Buster for handing over to us.
