

- T.N.: [a] ✓ K.B.: Despite the Russian first name following, this is the word used for a non-Russian Prince. The Russian title is KNYAZ'.
- [b] Inserted by the translator.
- [c] A cover-name beginning LAK, LAM, LAN, LAR, LAS or LAT.

✓ Comment: [1] The number quoted here is as given in the text, but would seem to be incorrect, as STOCKHOLM serial numbers did not go beyond about 430 in 1944. There is some reason to believe that the number should be in the range 390-400, ~~but if so, the message is not available.~~

- [1] ✓ SALANTIN
- [2] ✓ EVGENIT
- [3] ✓ Countess POSSE
