In No.75 of 11 June[b] I reported

[17 groups unrecoverable][c]

Notes: [a] Moscow-Istanbul message No.97 of 24 July, 1944 (3/XBP/T700).

[b] Not available at present.

[c] The probable contents of these 17 groups are: "the name of 'JUNGER[STOLLEN] repeat JUNGER'. No. 127 VALENTIN. 27 July". There are some indications that this hypothesis is correct.
