27 December 1944.

To VIKTOR [i].

1. ALBERT [AL'BERT] [ii] sent a confidential memorandum from LOUIS [LUI] [iii] which was handed over to ALBERT through FROST's [iv] wife. LOUIS is complaining about FROST [and] emphasizes that unless prompt drastic measures of reorganization are taken the whole business is doomed to failure. To the memorandum are attached a series of corroborating documents. Advise whether to telegraph the contents of the memorandum in more detail and what instructions to give ALBERT. Take into account that I am not abreast of the scheme.

2. FROST received a letter from SKRIB [v] from ALASKA in which he says "Ivory is cheap [,] if you want to take [it] I can get [it]." In FROST's opinion this means that SKRIB is ready to work if we want. Telegraph instructions.

In a day or two he will start similar work in the NEIGHBORS' [SOSEDI] [vii] premises which he will finish in the course of four days, after which he considers it necessary to leave for the ISLAND [OSTROV] [viii]. Telegraph instructions.
